Accurate And Supportable Conclusions

AAE Consulting Group is a unique valuation/appraisal firm specializing in providing insurable values for both the public and private sectors across the nation. Experienced and professional staff members are well versed in various appraisal disciplines to provide accurate and supportable values for but not limited to:

- MACHINERY AND EQUIPMENT
- INFRASTRUCTURE
- BUILDINGS
- SITE IMPROVEMENTS

AAE Consulting Group offers its clientele with supportable conclusions that are used to aid the underwriting process, loss control exposure determination, equitable premium determinations, value segregation, and proof of loss documentation.

Experienced And Qualified Staff

Each project is performed by a team of highly qualified and trained professionals with the pursuit of client satisfaction. Accredited by the American Society of Appraisers, AAE Consulting Group staff have satisfied strict training and experience guidelines that are considered highest in the industry.

Consulting From A-Z

With the ability to staff and execute large projects with strict deadlines, we exhibit a small firm feel with the ability to turn around project conclusions quickly. AAE Consulting Group has a commitment to each client from start to finish to produce and support each of its conclusions. From the project kick-off meeting to the final report delivery, we at AAE Consulting Group will work with each client to ensure complete project satisfaction and understanding.

Commitment To Value

At AAE Consulting Group, we are committed to giving each of our clients the “most bang for their consulting buck”. With a streamlined management team and reliable staff, we are able to reduce overhead and offer a superior product at an almost always discounted fee.
